

Al-Huda School

## Measurable Objectives for Re-Accreditation

**\*\*Approved by Middle States Association\*\***

### **Student Performance Objective #1:**

By the year 2022, the number of Al-Huda School students proficient in Reading will increase by 50%, or will increase to 85% (whichever is smaller). A student will be considered proficient:

- a) By placing in the range of 76<sup>th</sup> to 100<sup>th</sup> National Percentile Rank in Iowa Test of Basic Skills (ITBS) (vocabulary acquisition and reading comprehension),
- b) By scoring at grade level proficiency on the Measure of Academic Progress (MAP),
- c) By demonstrating competency (70<sup>th</sup> to 100<sup>th</sup> percent) on students benchmark assessments
- d) By scoring 3 or above in the AP English Test

### **Student Performance Objective #2:**

By the year 2022, the number of Al-Huda School students proficient in Mathematics will increase by 50%, or will increase to 85% (whichever is smaller). A student will be considered proficient:

- a) By placing in the range of 76<sup>th</sup> to 100<sup>th</sup> National Percentile Rank in Iowa Test of Basic Skills (ITBS) (conceptual skills, computational skills, probability and statistics),
- b) By scoring at grade level proficiency on the Measure of Academic Progress (MAP),
- c) By demonstrating competency (70<sup>th</sup> to 100<sup>th</sup> percent) on students benchmark assessments
- d) By scoring 3 or above in the AP Calculus AB test

### **Organizational Capacity Objective #1**

By the year 2022, improved programs, services and facilities at Al-Huda School will support the academic, physical, social, and emotional development of students as measured by the following:

- a) 100% of all meals will meet state's nutritional guidelines
- b) 50% increase in extracurricular activities offered at each school level
- c) 50% increase in academic support and enrichment activities (i.e. Math and English) offered at each school level
- d) 50% increase in life-skill activities offered at each school level
- e) 25% increase in information resources available to students
